| <b>Description</b><br>Hi,<br><br>it would be nice to have some way to remove a quasseluser from the core. There is already a "--add-user" or "--change-password", but a "--remove-user" would be nice, also combined with some network/backlog/buffer cleanup. |                                  |
| <b>Related issues:</b><br>Is duplicate of Quassel IRC - Feature #909: Provide --del-user argument <b>New</b> <b>02/07/2010</b>   |                                  |
