Quassel IRC - Bug #1392

Add option to core to force using SSL

01/12/2016 10:06 PM - ralfjung-e

Status:	New	**Start date:**	01/12/2016

Target version:			
Version:	0.10.0	**OS:**	Any

Description

The topic pretty much says it all... Unencrypted transmission of sensitive data is completely out of the question nowadays. It should be possible to tell the core to never accept that, to never hand out anything unencrypted.
