Quassel IRC - Bug #536

Don't write /list output into the network's status buffer when "Channel List" window gets closed

02/09/2009 10:59 PM - Nightfall

Status:	Closed	**Start date:**	02/09/2009
Priority:	Normal	**Due date:**	
Assignee:		**% Done:**	0%
Category:	General / Unspecified	**Estimated time:**	0.00 hour
Target version:			
Version:	0.3.1+	**OS:**	Any

Description

When you close the "Channel list" window while channels are still being retrieved (?), the rest of the channels are written to the network's status buffer. They should be discarded instead (or at least not written into the status buffer).

History

#1 - 07/14/2018 03:06 PM - genius3000

- Status changed from New to Closed

Closing this as it appears to be fixed. Tested in 0.13-pre and couldn't get any channel list to end up in the Status Buffer (or anywhere) by requesting it and quickly closing the dialog. Couldn't find a commit that seemed related, so it must have been inadvertently fixed somewhere along the way. Please re-file if you can reproduce this issue in 0.12.5 or 0.13-pre (if you wish to test).
