

## Quassel IRC - Bug #30

### Escaped chars are not unescaped when loading messages from backend

05/18/2007 09:08 PM - EgS

<b>Status:</b>	Closed	<b>Start date:</b>	
<b>Priority:</b>	High	<b>Due date:</b>	
<b>Assignee:</b>	Sputnick	<b>% Done:</b>	0%
<b>Category:</b>	Quassel Core	<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>	0.2.0-alpha1	<b>OS:</b>	Any
<b>Version:</b>	0.13.1		
<b>Description</b>			
Currently ' (single quote) is escaped by doubling it to " when storing it in the database backend but not converted back to a single quote when loading the data.			
This should be autotmagically be fixed when the SQL-Queries are changed to variable binding.			

### History

#### #1 - 05/24/2007 03:08 PM - EgS

The new SqliteStorage Engine seems to handle this quite well.

Please report any regarding this subject. If no issues occur I'll close this bug in about a week - when I'm back from Italy :)

#### #2 - 06/03/2007 07:13 PM - Sputnick

As predicted, the transition to the new Storage backend closes this bug.
