Quassel IRC - Bug #567

Slow part from channels with many users

02/18/2009 04:11 PM - kitterma

Status:	Resolved		**Start date:**	02/18/2009
Priority:	Normal		**Due date:**

Target version:	0.5.0			
Version:	0.4.0		**OS:**	Linux

Description

I just parted from a channel with a few hundred users and it took many seconds (I was about convinced it wasn't going to part). Just after I tried to part from a channel with only a few users and it was very fast. This is on Kubuntu 0.4 with split client/core.
