

Quassel IRC - Bug #874

Fix for duplicate msgid in PO files

12/05/2009 12:25 AM - dpm

Status:	Resolved	Start date:	12/05/2009
Priority:	Normal	Due date:	
Assignee:	dalbers	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		OS:	Any
Version:	0.4.3		
Description			
As per the conversation with al, scarabeus and Sput, please find a series of patches with a proposal to fix the current issue with the duplicate msgid in the PO translation files.			
If this change is accepted, I can also work on an additional one to update the README.Translations file accordingly			

Associated revisions

Revision df78124c6ca13a53bcd8dca5ad7e63742327043c - 01/07/2010 11:04 PM - Daniel Albers

update README.Translations

This concludes the gettext patch series and therefore fixes #874

Revision df78124c - 01/07/2010 11:04 PM - Daniel Albers

update README.Translations

This concludes the gettext patch series and therefore fixes #874

History

#1 - 01/04/2010 06:36 PM - dpm

Hi,

Has anyone had a chance to look at this?

Thanks!

#2 - 01/07/2010 07:39 PM - dalbers

- Status changed from New to Assigned

- Assignee set to dalbers

#3 - 01/08/2010 12:21 AM - dalbers

- Status changed from Assigned to Resolved

Patches applied with slight changes. Thanks!
