

## Quassel IRC - Feature #1014

### add a tooltip when hovering a nick name in the chat view

08/21/2010 05:32 PM - ale

<b>Status:</b>	New	<b>Start date:</b>	08/21/2010
<b>Priority:</b>	Normal	<b>Due date:</b>

<b>Category:</b>	Quassel GUI (Qt)	<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>			
<b>OS:</b>	Any		

#### Description

most of the time i'm not really interested in the time of each message.

but from time to time i want to be able to know about the time (and sometimes even the day and month) of a specific message.

it would be nice if i could hide the time column and get a tooltip when hovering the nickname in the chat view.  
(i would also be happy with a pop-up which could be activated by a context menu)
