

Quassel IRC - Bug #1111

Core doesn't allow client to synchronize

10/18/2011 02:49 AM - Zeroedout

Status:	New	Start date:	10/18/2011
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Quassel Core	Estimated time:	0.00 hour
Target version:		OS:	Any
Version:	0.7.2		
Description			
For some reason my core doesn't allow my client to synchronize. Attached is a backtrace from gdb. Note that this is kode54's mysql branch. The target version won't let me select 0.7.3.			

History

#1 - 11/22/2011 02:41 PM - antoligy

This issue is confined to only this particular branch, cannot reproduce with either SQLite3 or PostgreSQL
