

Quassel IRC - Bug #1163

quassel does not show info in current window

05/13/2012 05:12 PM - simplew

Status: Closed	Start date: 05/13/2012

Version: 0.8-pre	
Description I have entered to quassel configuration window, entered in tab "Interface" and in "Message Redirection" i did set to show all in current window. This doesnt appear to make any difference since i continue seeing whois information only in server window.	
Related issues: Is duplicate of Quassel IRC - Feature #1113: Whois in active New 10/25/2011
