Description			
Hello,			
It's not possible for me to open/restore/maximize Quassel Client directly with a a simple or double click on tray icon. I need to right click on the tray icon and choose "Restore".			
I'm not alone to have this bug into #quassel IRC channel but it's working for someone else with same version (very strange).			
2018-07-16 13:36 <Elodie> [...] on the systray it's not working			
2018-07-16 13:37 <romibi> yes double-click to restore doesn't work for me either ... i think it worked once ... not sure ... (i'm on windows 10 as well)			
2018-07-16 13:37 <Llmatron2112> simple click to hide/restore works here			
2018-07-16 13:39 <Llmatron2112> quassel 0.12.5 on WIn10 x64
