<b>Category:</b>		<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>		<b>OS:</b>	Any
<b>Version:</b>	0.13.0		
<b>Description</b>			
<p>Spell checking does not appear to be working in the macOS version. If there are specific steps to get this working they should be documented some place. I have search around for options and even tried installing hunspell and nothing seem to get things working. I had a similar issues on linux and was able to figure out the issue.</p>
