<b>Description</b>			
<p><a href="#">Geometry Dash Lite</a> is a fast-paced rhythm-based platformer game that challenges players to guide a square character through dangerous obstacle-filled levels. The gameplay relies heavily on precise timing and quick reflexes, as every jump must match the beat of the music. With its vibrant visuals and energetic soundtrack, the game keeps players fully engaged from start to finish. Although simple in controls, Geometry Dash Lite is highly challenging and encourages players to retry levels to improve their skills.</p>
