

Quassel IRC - Feature #211

enable/disable backlog per buffer

07/05/2008 10:23 PM - betagan

Status:	New	Start date:	
Priority:	High	Due date:	
Assignee:		% Done:	0%
Category:	General / Unspecified	Estimated time:	0.00 hour
Target version:			
OS:	Any		
Description			
It should be possible to disable backlog on certain buffers. There might be situations where you don't want to log certain channels/queries. Messages should be shown as long as the client is running but should not be stored in the database.
