

Quassel IRC - Bug #30

Escaped chars are not unescaped when loading messages from backend

05/18/2007 09:08 PM - EgS

Status:	Closed	Start date:	
Priority:	High	Due date:	
Assignee:	Sputnick	% Done:	0%
Category:	Quassel Core	Estimated time:	0.00 hour
Target version:	0.2.0-alpha1	OS:	Any
Version:	0.13.0		
Description			
Currently ' (single quote) is escaped by doubling it to " when storing it in the database backend but not converted back to a single quote when loading the data.			
This should be autotmagically be fixed when the SQL-Queries are changed to variable binding.			

History

#1 - 05/24/2007 03:08 PM - EgS

The new SqliteStorage Engine seems to handle this quite well.

Please report any regarding this subject. If no issues occur I'll close this bug in about a week - when I'm back from Italy :)

#2 - 06/03/2007 07:13 PM - Sputnick

As predicted, the transition to the new Storage backend closes this bug.
