

Quassel IRC - Feature #394

show topic changes

11/08/2008 10:25 AM - nightrose

Status:	Resolved	Start date:	
Priority:	High	Due date:	
Assignee:	Sputnick	% Done:	0%
Category:	Quassel Client	Estimated time:	0.00 hour
Target version:			
OS:	Any		
Description			
Please add some notification when the topic changes. Right now there is no feedback and one would have to check topics manually. Something like "Topic changed from "foo" to "bar"" in the channel would be very useful. This way one could also see who changed the topic and when. Right now history of this is lost.

Probably a glitch in the matrix :) Topic changes are announced of course, and I'll close this as discussed on IRC.
